

United States Senate

WASHINGTON, DC 20510-4805

April 9, 2026

Dear Chairman Moran and Ranking Member Van Hollen,

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have required in the Fiscal Year 2027 Commerce, Justice, Science, and Related Agencies appropriations bill, consistent with requirements of Paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

Shelley Moore Capito
United States Senator

**Capito, Shelley Moore(R-WV) Commerce, Justice and Science
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Cabell County 911 / Emergency Management	This project would implement Next Generation 911 Call Handling.	Cabell County WV	\$1,134
Cabell County Sheriff's Office	This project will provide law enforcement communications equipment.	Cabell County WV	\$70
Calhoun County Commission	This project will provide a specialized trained deputy to respond to all crimes against children in the region and to provide age-appropriate, evidence-based "Safe Body Touch" training to all youth in the region.	Calhoun County WV	\$550
Town of Ceredo (Police Dept)	The objective of the project is to enhance the crime prevention and detection capabilities of the Ceredo Police Department through technological and equipment upgrades to include mobile radios, radar units and police vehicles.	Ceredo WV	\$147
City of Charles Town	This project will provide law enforcement equipment, including vehicles, body worn cameras, portable radios, and computers.	Charles Town WV	\$563
The University of Charleston	This project will enhance campus-wide physical safety and cybersecurity infrastructure to better prevent, detect, and respond to evolving threats.	Charleston WV	\$587
Fairmont State University	This project seeks to update existing campus security equipment and establish a Technology Training Center to provide computer science and related major students with 24-hour access to an on-campus computer lab.	Fairmont WV	\$2,000
City of Follansbee	This project will replace aging police cruisers to improve emergency response, officer safety, and community policing throughout the city.	Follansbee WV	\$666
Marshall University	This is a public-safety program led by Marshall University Forensic Science Center (MUFSC) in partnership with the West Virginia State Police Forensic Laboratory (WVSPFL), that aligns Rapid DNA, traditional forensic DNA analysis, and advanced genomic methods (MPS/FGG).	Huntington WV	\$4,800
Jackson Co. Commission (Jackson Co. 911 Center)	This project aims to upgrade the Jackson County 911 Center's radio system.	Jackson County WV	\$1,552
