

# United States Senate

WASHINGTON, DC 20510-4805

April 16, 2026

Dear Chairman Kennedy and Ranking Member Murray,

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2027 Energy and Water Development appropriations bill, consistent with requirements of Paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

Shelley Moore Capito  
United States Senator

**Capito, Shelley Moore(R-WV) Energy and Water Development  
Congressionally Directed Spending Requests**

<b>Recipient Name</b>	<b>Project Purpose</b>	<b>Project Location</b>	<b>Amount Requested (\$000)</b>
Army Corps of Engineers Huntington District	Environmental infrastructure projects in southern West Virginia	Cabell WV	\$15,000
Army Corps of Engineers Huntington District	Environmental infrastructure projects in northern West Virginia	Cabell WV	\$15,000
Army Corps of Engineers (Civil)	The purpose of this project is to construct a sanitary sewer collection and treatment system to serve 120 new customers in the community of Bolair in Webster County, West Virginia.	Cowen WV	\$5,000
Army Corps of Engineers (Civil)	The purpose of this project is to conduct a USACE Flood Risk Management Feasibility Study for the Fourpole Creek watershed, where recurring flooding poses ongoing risks to lives, property, and infrastructure throughout the community.	Huntington WV	\$1,800
Army Corps of Engineers (Civil)	This project would repair, replace, and upgrade equipment at the City of Logan's water treatment plant and to provide an alternative source of water supply for the same.	Logan WV	\$2,000
Roane County Economic Development Authority Inc	The Town of Reedy Middle Fork Water Extension project seeks \$218,750 in FY27 appropriations to complete required state audits necessary to advance a critical public water infrastructure project serving the Middle Fork Road area of Roane County, West Virginia.	Roane County WV	\$175
Army Corps of Engineers (Civil)	The project will address critical infrastructure needs that directly affect public health, service reliability, and future growth. Replaced undersized lines and a deteriorating water storage tank.	Tunnelton WV	\$4,500
Army Corps of Engineers (Civil)	The project will replace an aging and rapidly failing wastewater treatment system that serves 1,500 people in and around the Town of Wayne, West Virginia.	Wayne County WV	\$8,500
