

United States Senate

WASHINGTON, DC 20510-4805

COMMITTEES:
APPROPRIATIONS
COMMERCE, SCIENCE,
AND TRANSPORTATION
ENVIRONMENT AND PUBLIC WORKS
RULES AND ADMINISTRATION

June 9, 2025

Dear Ranking Member Baldwin,

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2026 Labor, Health and Human Services, Education, and Related Agencies appropriations bill, consistent with requirements of Paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

Shelley Moore Capito

United States Senator

**Capito, Shelley Moore(R-WV) Labor, Health and Human Services, and Education
Congressionally Directed Spending Requests**

| Recipient Name | Project Purpose | Project Location | Amount Requested (\$000) |
|---|--|-------------------------|---------------------------------|
| Concord University | Renovation and Equipment for expansion of Center for Rural Healthcare Workforce Solutions to house Nursing, Physician Assistant, and other healthcare programs. | Athens WV | \$7,500 |
| Barbour County Commission | This building would serve as the EMS station for Barbour County Ambulance Authority, a point of distribution hub for Barbour County OEM, as well as an emergency shelter site for the community. | Barbour County WV | \$2,000 |
| CAMC Cancer Center-Beckley | Cancer Center Infrastructure and Technology Upgrades | Beckley WV | \$7,000 |
| Appalachian Regional Healthcare, Inc. | This funding will assist with renovating the pre and post operative space in the surgical department at Beckley ARH Hospital. | Beckley WV | \$2,650 |
| Bethany College | This project is an expansion of STEM and health labs and the nursing program at Bethany College. | Bethany WV | \$1,150 |
| Applied Research Foundation of West Virginia | Bluefield State University proposes a comprehensive security upgrade to strengthen campus safety. | Bluefield WV | \$1,105 |
| West Virginia Wesleyan College | This project replaces ancient and inefficient HVAC equipment on campus buildings, which will provide safe and comfortable learning conditions for students and faculty, while protecting student recruitment/retention and the local economy by bringing guests to the region. | Buckhannon WV | \$2,583 |
| Burlington United Methodist Family Services, Inc. | This is a rural building project to ensure individuals in need of substance abuse recovery in the Raleigh County region of rural West Virginia have access to treatment, services and recovery while being able to care for their children and families. | Burlington WV | \$1,700 |
| West Virginia Rural Health Association | WVRHA will utilize these funds to support the development of a network of independent and provider-based Rural Health Clinics in West Virginia to support sharing of technical assistance. | Cabell County WV | \$150 |
| Calhoun County Commission | The purpose of this project is to provide an additional ambulance to Calhoun County. | Calhoun County WV | \$445 |
| Jefferson County Commission | Jefferson County seeks funding to relocate and expand its Health Department to improve access to essential health services and better serve the county's highest-need populations. | Charles Town WV | \$345 |
| Charleston Area Medical Center | The purpose of this project is to upgrade the technical infrastructure and cybersecurity technology across CAMC South Region to healthcare standards that will allow safe delivery of patient care and protection of patients data. | Charleston WV | \$15,000 |
| West Virginia CASA Association, Inc. | WV CASA is implementing an evidence-informed Continuum of Care model to prevent and treat child abuse through three critical approaches: expand the core model volunteer CASA advocates; early intervention strategies and post-permanency support for foster children and families. | Charleston WV | \$766 |
| Charleston Area Medical Center | The purpose of this project is to deploy ambient listening AI technology that will allow physicians to focus on the patients instead of a computer and improve the quality of patient care documentation. | Charleston WV | \$5,100 |
| West Virginia Humanities Council | Develop a statewide West Virginia folklife curriculum with easily accessible lesson plans for teachers through the West Virginia Encyclopedia online. | Charleston WV | \$84 |

| | | | |
|---|---|----------------------|----------|
| Goodwill Industries of Kanawha Valley, Inc. | Goodwill Industries of the Summit requests support for its Rural Access to Transportation Initiative, a comprehensive workforce development strategy designed to eliminate transportation barriers in rural West Virginia. | Charleston WV | \$425 |
| Girl Scouts of Black Diamond Council, Inc. | The Bridging the Gap for a Brighter Future in Appalachia program is designed to address critical barriers to employment, volunteerism, and economic development in the Appalachian region. | Charleston WV | \$600 |
| Kanawha County Emergency Ambulance Authority | The Kanawha County Emergency Ambulance Authority is requesting assistance to fund the purchase of advanced life support ambulances and one critical care ambulance to replace similar vehicles now testing the limits of their useful lives. | Charleston WV | \$2,105 |
| ReadAloud West Virginia | The purpose of this project is to add technical and fundraising expertise, relocation assistance, plus additional books and materials to expand services, add new counties to the program, and enhance the literacy environment and quality of life in West Virginia. | Charleston WV | \$138 |
| University of Charleston Stadium / Laidley Field | Safety, Technology, ADA Compliance & Energy Efficiency Upgrades for Laidley Field | Charleston WV | \$1,934 |
| Legal Aid of West Virginia, Inc. | Lawyer in the School helps low-income K-12 students by partnering with schools to offer civil legal services to prevent child abuse and homelessness, promoting the ability of students to succeed and for families to achieve financial self-sufficiency. | Charleston WV | \$350 |
| City of Clarksburg | The project supports cancer screenings and wellness programs for firefighters. | Clarksburg WV | \$214 |
| WVSU Metro Area Agency on Aging | This project will provide access to transportation for clients who are disabled, caregivers, veterans, and their families. | Cross Lanes WV | \$797 |
| National Youth Science Academy | The purpose of this project is to modernize aging components of our existing facility and make technological upgrades to better support our PK-12 STEAM educational programs. | Davis WV | \$500 |
| Kanawha Institute for Social Resaearch and Action Inc | Through a van staffed with a trauma-informed counselor, peer recovery coach and/or support specialist, we will provide direct services including crisis support, safety planning, emergency kits, and legal referrals. | Dunbar WV | \$365 |
| Wirt County Health Services Association | Coplin Health Systems intends to construct a facility to house clinical space, administrative offices, and a separate multi-purpose building to facilitate training, community meetings, group behavioral health therapies, and wellness events. | Elizabeth WV | \$1,500 |
| Fairmont State University | The purpose of the project is to increase the capacity of the Fairmont State University Aviation Center of Excellence to train commercial pilots. | Fairmont WV | \$1,650 |
| Minnie Hamilton Health Care Center, Inc. | The project will fund necessary renovations to a hospital building that will allow for patient centered care to be provided to central West Virginia. | Grantsville WV | \$5,000 |
| The 1982 Foundation | The project presented in this application focuses on the Children's Learning Center of Avalon, and will include developmental daycare, STEM educational options for K-12 serving children and physical education facilities to foster active healthy lifestyles. | Grantsville WV | \$1,500 |
| Greenbrier Valley Theatre | GVT is committed to providing STEM educational activities across WV | Greenbrier County WV | \$350 |
| Marshall University | Development of a Medical Simulation Center to Enhance Clinical Care and Improve Rural Medicine | Huntington WV | \$15,000 |
| Marshall University | Building a Center of Excellence for Critical Infrastructure Cyber Security in West Virginia at Marshall University. | Huntington WV | \$1,500 |

| | | | |
|--|--|-------------------|----------|
| Lily's Place, Inc. | Lilys Place will meet the need of first responders and dispatchers who seek mental health services. | Huntington WV | \$684 |
| Marshall University | This request is presented as part of a larger program to construct a facility serve as the new home for the Joan C. Edwards School of Medicine at Marshall University (SOM). | Huntington WV | \$15,000 |
| Ebenezer Medical Outreach, Inc. | Funding support will allow Ebenezer Medical Outreach to make facility upgrades to expand access to dental care and better protect patient data/information. | Huntington WV | \$100 |
| United Way of the River Cities | The purpose of this project is to strengthen economic mobility and family well-being in West Virginia through the community-informed design and testing of strategies that improve access to childcare, financial supports, and family-centered services. | Huntington WV | \$500 |
